MEET OUR RESOURCE PERSON

Prof. Swanand R. Khare

Associate Professor, Department of Mathematics
IIT Kharagpur

ACADEMIC BACKGROUND & MTTS CONNECTION

- **MTTS Alumnus:** Attended the MTTS Summer Camps at IIT Bombay in 2000 (Level 0) and 2001 (Level I).
- Completed his Ph.D. from IIT Bombay.
- Served as a Post-doctoral Fellow at the University of Alberta, Canada.

RESEARCH & TEACHING EXCELLENCE

- **Research Interests:** Polynomial matrices, inverse eigenvalue problems, low-rank approximation, machine learning, and deep learning.
- Published extensively in reputed journals and led several research projects funded by SERB and ANRF.
- Developed impactful NPTEL courses in Applied Linear Algebra and AI/ML.

We are delighted to have him with us today.
A warm welcome to Prof. Khare!
